Here are the notes from the meeting.

Let me know if you have questions.

Kelly

New PARS system

I let folks know you had been sending them out. You may get questions

Kimberly said lots of people haven't done them and expects that the deadline will be extended

Ex. 6 Personal Privacy (PP)

Ex. 5 Deliberative Process (DP)

25th Anniversary for FQPA (Rick K)

Partly celebratory, partly getting new admin up to speed on it

"volunteers" to help Anna (Kimberly suggested TJ and Jonathan – other OPP'ers involved are: Mark C., Ed O, Jeff

Dawson, Catherine Albie (sp?))

Go-arounds

Niel

- Travel training – suggestions – get a screen shot directional guide; make a recording if done again ---- lots of information but don't use it enough to remember it when you needed it

Thuy

-
- **Ex. 5 Deliberative Process (DP)**

Susan

- PPE shortage, PPE factory has bad COVID and shutting down, so bigger shortages expected

Hope

- **Ex. 5 Deliberative Process (DP)**

- **Ex. 6 Personal Privacy (PP)**

- Holiday party? - trying to see if anyone is interested in doing something. Branch/Divisional party OK – no OPP party. Labs are doing lyrics. I may have volunteered Jeana to help with “games” (she did good with Whitney’s shower). EFED is doing something and Kimberly will see what they are doing to get an idea what is acceptable TJ
- Moment of scaredness – Dec 17th is not the PRD deadline, but some coordination/communication on expected late arrivals may be needed
- 16-17 that we haven’t seen yet (a couple have come in since the last meeting)
- Couple of memos outstanding (and at least one that is on its way to PRP this week)
- **Ex. 6 Personal Privacy (PP)**
Monisha/Kelly
 - Isoxaflutole sorghum benefits and HRM signed
 - Pyridate slides for Program review reviewed
 - Antibiotic Resistance slides in review for OD briefing next week

Thank you,
Kelly
